TITLE(S) OF ARTWORK: Please indicate titles on each piece if you are submitting more than one.

Please check both boxes:

- I grant permission to the Whatcom County Library System to reproduce the image(s) in print and digital publication including social media. Pieces of an accepted entry might be used rather than the entire work when appropriate.
- This art is entirely created by me. The characters, background and entire composition is from my own imagination. I did not use an online tutorial, AI, or another artist's work.
